Lord, Accept into Thy Kingdom  

1. Lord, accept into thy kingdom Each penitent, humbled one,
   Born of water and the Spirit In thy name, Beloved Son.
   Channel of all light and glory, Key to vision, knowledge, truth.

2. Know ye not that he was holy? Yet he witnessed unto men
   That the way is straight and narrow Leading unto God again.
   Unto glory in my kingdom, Unto life eternally.

3. Like the sound of rushing waters In this day his word is said:
   Holy ordinance of mercy For the living and the dead!
   Let the dead speak praising anthems To our God, eternal King!
