

# Jesus Helped His Mother

Jesus Christ went to a wedding in Cana. His mother, Mary, was there. She told Jesus that they were out of wine. Jesus asked His mother what she wanted Him to do. He performed a miracle and turned water into wine. Jesus loved His mother and helped her. ●

You can read this story in John 2:1-11.

My mom is allergic to dogs. We went to my friend's house, and they have a dog. When we got home, my mom had hives on her face. I gave her an ice pack, a pillow, and a blanket. Soon her hives started to clear up. I am happy I helped my mom.
