

Hear Him!

Imagine that you have been given the opportunity to create a brief video that expresses how you hear the Savior’s voice. Write a brief outline of what you would share in response to the prompt “How I hear Him.” The following questions might help as you create your outline:

- What experiences have helped you to understand better how the Lord speaks to you?
- What ideas might you include from the statements by President Russell M. Nelson and Sister Michelle D. Craig in section 2 of the preparation material?
- How can you share your thoughts and feelings in a way that will be easily understood by others?

From your outline, create a brief message (one to two paragraphs) you could share with the class.

If you would prefer, you could instead ponder and record what you would like to do to increase your capacity to hear the Savior’s voice.
