

Luke 17 Details and Visualizing Activity

NEW TESTAMENT SEMINARY MANUAL

Read Luke 17:11–14 carefully, paying attention to detail.

After reading, try to answer as many of the following five questions as you can without referring to the scriptures.

1. How close were the lepers to the Savior?
2. What did the lepers ask of the Savior?
3. What did the Savior say to them?
4. How many of the lepers had the faith to do what the Savior asked?
5. What were the lepers doing when they were healed?

Visualize what you read.

Imagine yourself as one of the lepers who were cleansed.

- What might it have been like to be healed from leprosy? How would you have felt?
- Why do you think healing in this account happened “as they went”? (verse 14).
- What do you think you would have done once you realized the Savior had healed you?
