ESTHER

“Thou art come ...
for such a time
as this.”

- She was a brave queen and an Israelite.
- A new law said that all Israelites should be killed. She fasted and prayed. She risked her life to speak to the king.
- The king listened to her. She saved her people.

(Esther 4:14)

“I know that my
redeemer liveth.”

- He was righteous. But he had many trials. His children and animals died. He got very sick.
- He didn't know why bad things happened to him. But he trusted God.
- In time, he was healed. God was with him in good times and in bad.

(Job 19:25)
