Jesus Christ saves me from sin and death
(2 Nephi 9:7–23).

Following the dotted lines, cut out the Savior, the ladder, and the man.
Show how the man fell into the pit representing sin and death.
Then show how the Savior went into the pit and used
the ladder to help the man escape. Because Jesus Christ suffered
for our sins, died, and was resurrected, we can overcome sin
and will be resurrected after we die.
