

The Glorious Restoration's Come
(sing joyfully)

1

The glorious Restoration's come, Christ's church is here to stay.
Its truths continue to come forth, revealed in modern days.
With joy and love we testify, God speaks to man today!
His church established once again, the Savior leads the way.

Chorus:

We'll sing this hymn of grateful praise, for truths revealed from Thee,
that teach and help us qualify, to live once more with Thee.

2

Another Testament of Christ now lights our world today.
The Book of Mormon clarifies Christ's doctrine and His ways.
From words of those who've gone before, His truths we hear anew.
We come to Christ and learn of Him, our Rock forever true.

(Chorus)

3

The Gift of Holy Ghost once more confirmed to man below
shows us that we can know God's will through revelation's flow.
The Holy Spirit speaks the truth, refines our heart and mind,
and teaches us to pray to God and hear His words divine.

(Chorus)

4

The priesthood is restored to man, Elijah turned the key,
to bless each child of God on earth through Christ's authority.
We turn our hearts to fathers past and seal each family.
In holy temples we rejoice and glimpse eternity.

(Chorus)
