## **Angels and plagues**

NEW TESTAMENT SEMINARY MANUAL

Thinking about the plagues John saw in Revelation 16 could cause us to worry. However, increasing our faith in Jesus Christ can help us overcome our worries. It is important to note that as the angels poured out their plagues, they testified of the Lord's character. Knowing His character can help us increase our faith in Him.

Read Revelation 16:5 and 7, looking for how the angels described the Lord and His judgments. Write in the following speech bubble what you feel the angels said.

• Why might it be helpful for us to understand the Lord's character as we learn about His judgment?

• When in your life has it helped you to understand what God is like? How can remembering Jesus Christ's character help you rely on Him?
