For Song of Salvation here is the Chinese lyrics with translation.

漂洋過海，來福爾摩沙
Coming across the sea, to Formosa
想像你踩過的步伐
Imagine the steps thy have been
流著汗水，騎上鐵馬
Sweating, riding bicycles
神聖經文帶來溫暖陽光
Holy scriptures bring the sunlight
記得那些你說的話
Remember your words
時光在空氣中凝結啦
Time is frozen in the air
聖殿奉獻的那一天哪
When the day temple was dedicated
輕聲說遇見你的盛夏
Whispering the summer I met Thee

天使歌唱，樂音繞樑
Angels sing, music around
提醒我肩膀上巨輪的力量
Reminding me the power of the wheel in my shoulder
甲子緣，同來歡唱
Sixty years, sing together
每步走來是真理的力量
Every step is the power of truth
記得那些你說的話
Remember your words
時光在空氣中凝結啦
Time is frozen in the air
聖殿奉獻的那一天哪
When the day temple was dedicated
輕聲說遇見你的盛夏
Whispering the summer I met Thee

唱著，對過去的想像
Sing, for the imagination of the past
留著，這歷史裡的滋養
Save for the nourishment of the history
說著，她日記裡的願望
Talk about the wish in her journal
看著，這奇蹟在眼前巧妙發芽

See the miracles growing in front of our eyes

漂洋過海，來福爾摩沙

Coming across the sea, to Formosa

踏上祢踩過的步伐

Steps on the road Thy had gone to

流著汗水，騎上鐵馬

Sweating, riding bicycles

神聖經文帶來溫暖陽光

Holy scriptures bring the sunlight

記得那些你說的話

Remember your words

時光在空氣中凝結啦

Time is frozen in the air

聖殿奉獻的那一天哪

When the day temple was dedicated

輕聲說遇見祢的盛夏

Whispering the summer I met Thee

From Taiwan we saints hold steady thy legacy
