Help Us, O God, to Understand

Thoughtfully  \( \frac{2}{4} = 92-104 \)

1. Help us, O God, to understand Our Savior's love for us.
2. Help us to love him more each day, Though him we cannot see.

He paid the price for all our sins And died upon the cross.
His teachings and his loving heart Will lead us back to thee.

Hebrews 9:28
John 14:6
