

Ninaweza kuwasaidia watoto wa Baba wa Mbinguni kurudi Kwake (Yeremia 16:16)

Paka rangi kadi, na zikate kwa kufuata mistari nukta, na uzichanganye. Chukua kadi nne na mpe mwagine kadi nne, na weka kadi zingine zikiangalia chini kwenye rundo. Chukueni zamu kuombana kadi ambayo inafanana na ile aliyenayo yule anayeomba. Kama anayeombwa hana kadi sawa na ile ya muombaji, yule aliyeombwa anaweza kuchukua kadi iliyo juu toka kwenye zile zilizowekwa pamoja. Wakati wowote mtu anapopata kadi zinazofanana, anaziweka mezani au kwenye sakafu.
