Oh, May My Soul Commune with Thee

1. Oh, may my soul commune with thee And find thy holy peace;
2. Oh, bless me when I worship thee To keep my heart in tune,
3. Enfold me in thy quiet hour And gently guide my mind
4. Lord, grant me thy abiding love And make my turmoil cease.

From worldly care and pain of fear, Please bring me sweet release.
That I may hear Thy still, small voice, And, Lord, with thee commune.
To seek Thy will, to know Thy ways, And Thy sweet Spirit find.
Oh, may my soul commune with thee And find Thy holy peace.
